Good Afternoon Everyone!

For tomorrow's call we would like to primary focus on the agenda for the first work group meeting (routine updates will still be provided). Unless Vanessa has some hopeful news regarding funding for and access to an outside facilitator, we may need to move forward with the assumption that we will not have professional facilitation services--- Any ideas in regard to a facilitator would be extremely helpful.

Thanks!

Maryam

Good Morning Everyone!

Dot asked me to set up weekly calls for the Riverside Ag Park off Site Evaluation Work Group. It has been a bit of a struggle to find a weekly time that works for everyone. Giving consideration to those who work compressed schedules, I avoided Fridays. Thursday mornings seem to work best for the calendars that I have access to. Thanks!
